

# ACCESSIBILITY STATEMENT

At Essential Credit Union, we are committed to complying with the Americans with Disabilities Act of 1990.

Essential Credit Union is committed to providing a website that is accessible to all. We have implemented the recommendations of the [Web Content Accessibility Guidelines \(WCAG\)](#) as published by the [Web Accessibility Initiative \(WAI\)](#) of the [World Wide Web Consortium \(W3C\)](#), and endeavor to conform to WCAG 2.0 Level AA of those guidelines.

There is no definitive test or certification of conformance to Level AA of the WCAG, but we have used a variety of methods for assessing accessibility. If you find a part of the site that you feel does not conform to Level AA of the WCAG, please contact us so we can evaluate the issue.

Please note: Financial Partners chose to use the WCAG guidelines for compliance because they are determined by the W3C, the consortium responsible for creating guidelines for the Internet. For more information about Level AA Conformance, visit the [World Wide Web Consortium](#).

If you encounter issues with any page on our site that presents a challenge for individuals with disabilities, please submit your feedback to [eservices@essentialcu.org](mailto:eservices@essentialcu.org).
